To the
Unions, Fields and
brothers and sisters in general

Re: World Assembly, Public Conference and Youth Conference in South Africa 2012

Dear brethren in Christ,

I greet you with the peace of God meditating upon the inspired words of Isaiah 2:3:

*"And many people shall go and say, Come ye, and let us go up to the mountain of the LORD,
to the house of the God of Jacob; and He will teach us of His ways, and we will walk in His paths:
for out of Zion shall go forth the law, and the word of the LORD from Jerusalem."*

The reason for this communication is to inform all brothers and sisters of the important events that will take place in God's church in South Africa in the year 2012.

Delegates from around the world will meet in the **World Assembly** from **June 24 to July 11, 2012** to discuss the efforts put forth in the past five years and reorganize the worldwide work. We will analyze the needs of God's cause and also set new goals in the important mission of preparing the way for the second coming of Christ.

All brothers and sisters are invited for the **Public Conference** that will be held from **July 11-15, 2012** in the area round Johannesburg, South Africa, after the World Assembly of delegates.

The Public Conference is a unique opportunity realized by the church for God's people every five years. There one may listen to messages of ministers from the different parts of the world, as well as reports and experiences of the work developed in recent years. This is the first time in the history of the Reform Movement that this opportunity will be granted on African soil, thus making it possible to also enjoy the blessings that God has bestowed upon His cause in this great continent. Africa currently has the greatest progress in opening missions in new countries that had not previously been reached with the present truth.

After the Public Conference, the **World Youth Conference** will be held from **July 15-22, 2012** where the main focus will be the development of the youth. Everyone is invited to participate. Together we will have the opportunity to visit some places typical of South Africa and see the natural beauty.

We ask all brothers and sisters to pray for these important world events and to make plans, as far as possible, to participate in the activities and thus enjoy the blessings God has in store for His children.

More information on prices and details of the program will be announced shortly on the website of the General Conference at www.sda1844.org

We look forward to being together in Johannesburg, South Africa, in July 2012.

Sincerely,
Your brother in Christ,

Pastor Pablo Hunger
Secretary of the General Conference
